## GRADUATE ENTRY MEDICINE

### Non-EU (residing in the USA/Canada) application timeline

The important application deadline dates for Non-EU applicants residing in the USA or Canada are outlined in more detail below.

#### **15 November (in the year prior to expected admission to RCSI)**

- Atlantic Bridge applications open on 1 July with a normal closing date of 15 November.

#### **1 February (in the year of admission)**

- Although late applications are accepted until 1 February, places within the programme are very competitive and early application (i.e. by 15 November) is advised.

#### **Early February (in the year of admission)**

- Competitive candidates are shortlisted for an online interview.
- Candidates are notified by Atlantic Bridge a number of weeks in advance of the interviews taking place.

#### **Late February/early March (in the year of admission)**

- Interviews take place in late February/early March.

## **Late March (in the year of admission)**

- Conditional and full offers of places are released to successful North American applicants.
- Applicants usually have 21 days to accept their offers which involves payment of a deposit of €6,500 to secure their seat.
